

2nd International Conference on Dam Safety Management & Engineering (ICDSME2023) - 16-17 March 2023

The 2nd International Conference on Dam Safety Management and Engineering (ICDSME2023), organised by Malaysia National Committee on Large Dams (MYCOLD) returns on 16-17 March 2023 at the Shangri-la Hotel, Kuala Lumpur. ICDSME2023 is brought to you by the Ministry of Natural Resources, Environment and Climate Change (NRECC), Universiti Tenaga Nasional (UNITEN), Department of Irrigation & Drainage Malaysia (DID), Tenaga Nasional Berhad (TNB), Sarawak Energy Berhad (SEB), Yayasan Canselor UNITEN, National Disaster Management Agency (NADMA), National Water Research Institute of Malaysia (NAHRIM), Aqua~Media International Ltd and The Institute of Engineers, Malaysia.

ICDSME2023 OBJECTIVES

1. To gather professionals and experts in dam-related fields to discuss and share the latest information and technology to further enhance knowledge in the field of dam safety
2. To increase understanding among professionals, experts, researchers, engineers, stakeholders, and the public in the field of dam safety.
3. To build new connections and grow the network of dam safety experts and professionals.
