ICOLD UNAPPED TREASURES

Roberto Ordoñez
Secretary General

With their great wisdom, the ICOLD Board decided in the section that the... (text continues)

Roberto Ordoñez, a Cuban former Minister in the late 1980s, said he says that there are three kinds of dam sites. There are sites and "dead" sites... (text continues)

More generally, we should think of exploring more effectively the wealth of knowledge accumulated over generations... (text continues)
