### ICOLD UNTAPPED TREASURES

**W**ith their great wisdom, the ICOLD Board decided in the session that the Commission had one of the responsibilities for a National Committee to be considered as a member of the Commission since its explicit and direct role is to coordinate the work of the Commission with the National Committee. The Commission will be able to do so in a more effective way if the National Committee is to be able to coordinate the work of the Commission with the National Committee. The Commission will be able to do so in a more effective way if the National Committee is to be able to coordinate the work of the Commission with the National Committee.
